### YOU WILL...

- Gain knowledge, confidence and ideas for growing and sustaining your Farm to School activities;
- Network with members of other Farm to School programs and meet Farm to School leaders in the region;
- Enjoy a delicious, healthy dinner using produce from Fresh Roots Schoolyard Market Garden.

### WHO IS INVITED?

Everyone! This evening will be of interest to anyone from Vancouver and North Shore school communities who are interested in Farm to School activities and bringing healthy change to our school food systems.

Public Health  
Association of BC

**Brought to you by the Farm to School Vancouver Area Regional Hub:**  
Farm to Cafeteria Canada, FarmFolk CityFolk, Fresh Roots Urban Farm, North Vancouver School District, Public Health Association of BC's Farm to School, Vancouver Coastal Health, Vancouver School District

**With financial support from Vancity enviroFund**

**Vancity**

## Farm to School Celebration Agenda – APRIL 27, 2016

<b>4:00 pm</b>	<b>Cocktail Hour and Garden Mingling</b>	Gather in VanTech’s revolutionary schoolyard market garden, explore relevant hands-on displays and activities and mingle with our region’s leaders in school food system change. Help yourself to delicious non-alcoholic cocktails featuring locally sourced ingredients and circulate around to our great info-booths.
	Food Safety Booth	What makes food safe? <i>Presented by our local Environmental Health Office</i>
	Seed Booth	What are the best plants for my schoolyard garden? <i>Presented by the Environmental Youth Alliance</i>
	Sourcing Local Booth	Where can I get local food for school food programming? <i>Presented by Fresh Roots</i>
	Food Preparation Booth	How can I safely prepare food with my students in the classroom? <i>Presented by Growing Chefs</i>
	Curriculum Booth	How can I integrate food practices across the curriculum? <i>Presented by the Society Promoting Environmental Conservation</i>
	Garden Tours	Where are we? <i>Presented by the VanTech Garden Club</i>
<b>5:30 pm</b>	<b>Dinner</b>	Break bread together and share our motivations for taking on Farm to School projects in our school. Lots of local ingredients will be served, of course.
<b>6:30 pm</b>	Facilitated Discussion	Get inspired by the leaders at the table and dig into the reasons why we do this work.
<b>6:50 pm</b>	<b>Inspiration from the Field</b>	Hear quick, relevant presentations about some of the most inspiring school food projects that have successfully connected experiential learning with the whole food cycle across the curriculum.
<b>7:30 pm</b>	Evaluations and Goodbye
